

CITY OF LODI COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Authorizing the Lodi Police Department to Participate in a Traffic Initiative Grant Funded by the Office of Traffic Safety and Appropriating Funds (\$130,000)

MEETING DATE: October 19, 2011

PREPARED BY: Chief of Police

RECOMMENDED ACTION: Adopt resolution authorizing the Lodi Police Department to participate in a Traffic Initiative Grant Funded by the Office of Traffic Safety and appropriating funds in the amount of \$130,000.

BACKGROUND INFORMATION: Lodi has a significant problem with alcohol- and speed-related fatal and injury collisions, including those involving hit-and-run drivers and motorcyclists. Statistics from the State Office of Traffic Safety (OTS) bear this out.

By adopting this resolution, the Police Department will be eligible to receive a \$130,000 grant from OTS to develop and implement a comprehensive traffic safety enforcement program to reduce fatal and injury collisions where the primary collision factor is driving under the influence or speed. The project will also work to reduce motorcycle involved fatal and injury collisions. This grant program is proven to reduce vehicle accidents and get drunk drivers off the street.

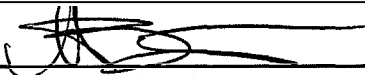

The OTS develops rankings based on the Statewide Integrated Traffic Records System data for collisions reported by agencies other than the California Highway Patrol. The most recent available rankings are for 2009. Lodi is one of 104 California municipalities in the 50,000-to-100,000 population category.

According to the 2009 OTS rankings Lodi ranked 59th in total fatal and injury collisions; 38th in alcohol-involved collisions; 49th in drivers ages 21 to 34 who had been drinking; 21st in motorcycle collisions; 32nd in nighttime collisions (9 p.m. to 3 a.m.); and 14th in hit-and-runs. Lodi made 312 drunk-driving arrests in 2009. Only 21 municipalities in our category had more arrests.

These figures represent an improvement over the previous year in total fatal and injury collisions, and in collisions involving drivers ages 21 to 34 who had been drinking. Lodi Officers made 270 driving-under-the-influence arrests from Jan. 1, 2011 through Sept. 29, 2011, compared to 239 in the same period of 2010.

To continue focusing on DUI, the Police Department will deploy existing officers on weekend and holiday evenings for DUI saturation enforcement and will conduct 12 DUI checkpoints during the grant period. To address hit-and-run collisions, the Police Department will conduct driver's license checkpoints at all

APPROVED:

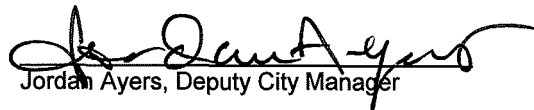

Konradt Bartlam, City Manager

DUI checkpoints. The Grant project also provides funding to focus on motorcycle saturation enforcement.

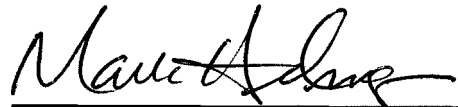

With Council approval, the City of Lodi and State of California OTS will enter into an agreement that provides \$130,000 to the City to fund enhanced enforcement and education and purchase related materials.

FISCAL IMPACT: This grant will allow the City to conduct needed education and enforcement without using General Fund dollars.'

Optimum lead time would be 10-20 days prior to the operation. Media communications reporting the results of grant activities such as checkpoints and saturation patrols are exempt from the advance approval requirement. Activities such as warrant or probation sweeps and court stings that could be compromised by advanced publicity are exempt from pre-publicity, but are encouraged to offer embargoed media coverage and to report results.
